Join us for the Milwaukee Art Museum's celebration of spring and discover floral interpretations of favorite artworks in the galleries.

The Museum fills with color, light, and fresh energy as we feel winter melt away. The galleries come alive with floral arrangements inspired by favorite works of art—airy, vibrant, and full of movement.

This year, visitors won't want to miss exploring the newly installed Modern Wing, featuring works by Georgia O'Keeffe, Helen Frankenthaler, and Alex Katz.

This spectacular event features art-inspired floral installations, a colorful marketplace, live music, refreshments, shopping, art making, and more. Visit the stunning Art in Bloom Gallery. Whether your interest is in flowers, architecture, or marvelous objet d'art, the Milwaukee Art Museum has us covered.
