Architectural River Cruise and a Hidden Gem in Chicago

Wednesday, July 10, 2024

Cost: \$159

Don't Wait! Reserve tickets while they last or by 6/10

What a fantastic way to enjoy Chicago in the summer! We will visit a **Hidden Chicago Gem** on our first stop – it's a surprise! Trust me, you'll love it.

Next, we will “**dine**” and have a relaxing lunch at the fabulous **Osterio Via Stato!** A few guests sign up for this restaurant alone.

Bring your sunglasses, cap or visor and explore Chicago's iconic architecture aboard **TripAdvisor's #1 rated boat tour** of the city. The only Chicago River cruise partnered with the **Chicago Architecture Center (CAC), Chicago's First Lady**. This cruise offers the city's most engaging 90-minute architectural tour experience. Our docent will share fascinating stories behind more than 50 buildings along the Chicago River including the North and South Branches. Hear how Chicago grew from a small settlement into one of the world's largest cities in less than 100 years. In just 90 minutes, we'll get the best overview of Chicago's architecture and its history.
