INFECTIOUS DISEASE / COVID-19 WARNING: The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization and is reported to be contagious. The state of medical knowledge is evolving, and while the exact methods of spread and contraction are unknown, the virus is believed to spread from person-to-person contact and possibly by contact with contaminated surfaces and objects or in the air. Both vaccinated and unvaccinated people reportedly can be infected and show no symptoms and therefore spread the disease. Evidence has shown that infectious diseases including COVID-19 can cause serious and potentially life-threatening illness and even death, even among those who have been fully vaccinated. While governments and independent businesses have relaxed COVID-19 restrictions (masks, negative test, and/or proof of vaccination), these could be reimplemented at any time without notice.

ASSUMPTION OF RISK: I have read and understand the above warnings concerning infectious diseases such as COVID-19 and vaccine/mask requirements, and I voluntarily assume risks associated with exposure by virtue of my presence on this tour. Cruises and Tours Worldwide and Destinations With Nadine cannot prevent you or anyone in your group from becoming exposed to, contracting, or spreading any illness, including COVID-19, while on tour. I understand that exposure to infectious diseases including COVID-19 may cause personal injury, illness, permanent disability, and/or death. I understand that if governments or private businesses reinstate their requirements of full vaccination against an illness such as COVID-19 as a condition of entry and I am unable to provide proof, I may be denied access to some or all components of the tour without refund. If I test positive for an infectious disease such as COVID-19 while on tour, I understand that I may have to quarantine for an unspecified amount of time until I am cleared for travel by local authorities. I understand that I am responsible for the up-front costs associated with quarantine (lodging, meals, transportation, etc.), if necessary, and that travel protection may not reimburse me for all my out-of-pockets costs.

WAIVER OF LAWSUIT/LIABILITY: I, my family, my heirs, my legal representation, and my assigns hereby forever release and waive the right to sue Cruises and Tours Worldwide, Destinations With Nadine, their parent companies, their owners, officers, directors, managers, officials, trustees, successors, agents, employees, or other representatives in connection with exposure, infection, and/or spread of any disease/illness, including COVID-19, as well as any financial losses related to quarantine or my inability to access some/all components of a tour due to vaccination status requirements, testing requirements, and/or my inability or unwillingness to follow local protocols. I understand that this waiver means I give up my right to bring any claims including for personal injuries, death, disease or property losses, or any other loss, including but not limited to claims of negligence and give up any claim I may have to seek damages, whether known or unknown, foreseen, or unforeseen.
