DAY 1 (Lunch / Dinner) Depart Libertyville headed for the beautiful town of Fond du Lac, Wisconsin. Our first stop is **Ledgerock Distillery** where the Retzer family farm is nestled between Fond du Lac and Eden, Wisconsin — on The Ledge. They grow their grains and distill spirits on the farm, ensuring a hands-on, down-home quality from start to finish. See every step of the process — from the fields where they grow the wheat and corn to the storing facility and fermenter to their bottling and labeling center — and learn why Ledgerock’s spirits are naturally delicious.

Then we are off to a delicious, included lunch followed by **Kristmas Kringle Shoppe**, an enchanting two-story Bavarian-style shop with an interior resemblance to quaint European shops. They have more than 70 themed trees, gifts for all seasons, animated figures, and imported ornaments. Enjoy the sights, sounds, and scents of the holidays all year long!

The **La Clare Family Creamery** is always a popular stop. In the late 70’s, eager to return to their rural roots, Larry and Clara Hedrich bought a “hobby farm” in the heart of America’s Dairyland. Along with their homestead, they inherited two goats, a dozen or so chickens and pair of peacocks. Little did they realize, the goats would soon become the focal point of the lives of their growing family. Hence, the founding of what would become LaClare Farms, appropriately named after founders Larry and Clara. After our tour of the LaClare Farms, we will enjoy wine pairing with cheese while we create our own scented candle. We will have time to peruse their new greenhouse as well as the mezzanine that overlooks production and packaging. Enjoy the tour of the visitor center, cheese shop & café. Clara Hedrich (owner and previously a teacher) gives the tour. And yes, there will be samples of delicious goat products.

Never been to a **Wisconsin Supper Club**? Well here is your chance! **Jim & Linda’s Supper Club** right on the lake with views of the sunset and delicious food... It doesn’t get better than this. Finally, after an enjoyable day, we check into our deluxe rooms for the entire stay at the Radisson Green Bay. No need to pack each morning. ONE HOTEL

DAY 2 (Breakfast / Lunch) Enjoy the wonderful breakfast selections at our hotel each morning. If it is Day 2, it has to be our Green Bay Tour! Arrive first thing in the morning at the **Green Bay Botanical Gardens** where you will be awed by the beautiful grounds. Enjoy your self-guided tour and enjoy soaking up the summer sunshine. Next up, **Lambeau Field Stadium Tour** whether you do not have to be into football to enjoy this tour. Here we will experience one of Lambeau Field’s premium seating areas and even have a chance to go down to the field level. Along the way, learn about this organization and historic stadium. **Lunch is included.** **Green Bay City Tour**, with step on guide, is a must to learn about this city steeped in history and includes time to sample and shop at **Seroogy’s Chocolates**. The **National Railroad Museum** is a Green Bay treasure. We have an opportunity to ride the train at the National Railroad Museum and then tour the museum where we will be enthralled with the stories about the Pullman trains and the workhorse locomotives. Seriously, you can hear a pin drop while our guide tells the tales from wartime. Dinner tonight is on your own – invite your new friends to come along. Consider using your hotel food and drink coupons for dinner at the fabulous Cedar & Sage Grill House at our hotel.

DAY 3: (Breakfast / Dinner) After breakfast, we head over to the **National Shrine of Our Lady of Good Help** – the internationally-recognized holy site in America where the Blessed Virgin Mary appeared. For more than 150 years, believers have gone on pilgrimage to the National Shrine of Our Lady of Good Help in Champion, northeast of Green Bay. It was here on October 9, 1859, that Adele Brise, a young Belgian woman, said the Blessed Virgin Mary appeared to her and asked her to teach religion to children. When the Peshtigo fire spread across Green Bay on October 8, 1871, area residents spent the entire night walking around the chapel grounds praying the rosary and carrying a statue of Mary. Everything outside that five-acre site was burned. Each year, people gather on August 15, the feast of the Assumption of Mary into heaven, for a large procession and outdoor Mass. More than 100,000 people visit the Shrine each year to pray, view the scenic grounds or spend quiet time.

Door County!!! We spend the remainder of the day in Door County where we will have a **step-on guide** showing us the lay of the land and share with us, the rich history of this beautiful area. Known for its picturesque coastal towns, specialty shops, fish boils, cherry and apple orchards and scenic beauty, Door County, Wisconsin is often referred to as the “Cape Cod of the Midwest.” With the waters of Green Bay on one side and Lake Michigan on the other, the Door Peninsula offers spectacular waterfront views. Stops include **Renard’s Cheese**; **Door Peninsula Winery** for a **wine tasting** and free time to roam and shop. No trip is complete to Door County without a **Fish Boil** in Sturgeon Bay.

DAY 4: (Breakfast / Lunch / Dinner): Today we visit the quaint town of **Manitowoc**. Our step on Tour guide will share the history of the many ships that have met their demise on many stormy nights. We will visit the astonishing **Wisconsin Maritime Museum** and be able to tour the **USS Cobia Submarine**. Afterwards, we’ll take a short drive to our **lunch** spot for gorgeous lake views. After lunch, time to sample, shop and get an ice cream cone if you like at **Renee’s Chocolate and Popcorn**. And next stop - visit the adorable **London Dairy Alpacas Ranch** where we will be able to feed the alpacas with time for shopping at The Alpaca Threads Gift and South American Wine store. Most of the items in the store are made from alpaca fiber and include sweaters, hats, mittens, gloves, socks, blankets, and scarves. London Dairy Alpaca Ranch has been in existence for over 25 years, and was one of the first alpaca ranches in Wisconsin. Their goal is to raise healthy, well-cared for animals for breeding and fiber production, as well as aesthetics and pleasure. No animal is ever slaughtered for meat. We’ll return to the hotel with time to pack, swim in the beautiful hotel pool or just put your feet up. This evening is our elegant Farewell dinner at the Radisson and includes fun entertainment.

DAY 5: (Breakfast / Lunch) After breakfast, we head over to the **gorgeous Paine Art Center**. The Paine Art Center and Gardens is a preserved historic estate with a mansion and gardens located in Oshkosh, Wisconsin. It includes public art galleries and botanic gardens on 3 acres and is listed on the National Register of Historic Places. Then we make our way over to an interesting restaurant for lunch – it’s a secret. Finally, before we head home, no visit is complete without Kelley Country Creamery for some good ole fashioned homemade Wisconsin ice cream.

The time has come to bid farewell and we’ll be taking home with us some wonderful **Wisconsin Summertime memories** ... until our next Destination!
