Set on 30 beautifully landscaped acres designed to resemble the Holy Land. We will have a **guided tour of the Shrine** where guests are invited to walk in the footsteps of Jesus along an interactive half-mile Prayer Trail. Each scene along the trail includes a listening station with reflections narrated by Chicago broadcaster Bill Kurtis. The trail features 40 life-size bronze sculptures depicting Christ's life from the Last Supper to the Ascension, designed and cast by renowned Texas artist Mickey Wells.

Highlights include the newly opened **Moses at Mount Sinai** and the **Our Lady of Guadalupe Plaza**, home to two striking bronze sculptures depicting Saint Juan Diego's 1531 vision. The Plaza also features a serene chapel, offering a peaceful space for prayer and reflection.

During free time, guests may also visit the Our Lady of Guadalupe Gift Shoppe or explore the **Family Plaza**, which showcases inspiring sculptures such as St. Joseph with Jesus in the Workshop and more. Guests will also see the impressive **Our Lady of the New Millennium statue**, a 33-foot-tall stainless-steel monument. Time to shop in their 6,000-square-foot gift shop with a wide selection of unique religious gifts, books, and artwork.
